EDUCATION

South Dakota State University, Brookings, SD

Expected Graduation: May 2029

Bachelor of Science in Electrical Engineering

Relevant Coursework Completed Spring 2026: Linear Circuits 1, Intro to EE, Intro to EE Lab, Computer Science 1, Technical Writing in Engineering, Calculus 1-3, Differential Equations, Chemistry 1, Fundamentals of Physics 1

Central High School, Rapid City, SD • GPA: 3.98/4.18 • National Honor Society Member

May 2025

South Dakota State University, Brookings, SD • GPA: 3.967

December 2025

WORK EXPERIENCE

Head Lifeguard, Rapid City Pools, Rapid City, SD

May 2025-August 2025

- Promoted to Head Guard for outstanding performance, leadership, and reliability
- Led a team of lifeguards, supervising rotations, enforcing protocols, and coordinating daily operations
- Trained staff on emergency response, equipment inspections, and customer service best practices
- Conducted chemical testing and equipment checks to ensure compliance with health and safety standards
- Acted as primary point of contact for patrons and staff regarding safety and operational concerns
- Fostered a positive team environment and help ensure a safe, enjoyable experience for all pool patrons

Lifeguard and Water Safety Instructor, Rapid City Pools, Rapid City

May 2024-August 2024

- Monitored 100+ swimmers at once, demonstrating focus, risk management, and quick decision-making
- Responded to emergencies with certified first aid, CPR, and rescue procedures
- Performed routine water quality tests and facility maintenance to maintain operational standards
- Communicated pool policies and safety rules clearly to large groups of patrons

Crew Member, Cruizzers Pizza, Keystone, SD

May 2023-August 2023

- Thrived in a fast-paced, team-oriented environment while balancing multiple responsibilities
- Delivered excellent customer service and resolved issues promptly, strengthening communication skills
- Supported operations across multiple roles (prep, cashier, delivery), adapting quickly to business needs
- Maintained food safety, cleanliness, and inventory accuracy under pressure

RELEVANT/ENGINEERING PROJECTS

Basic Electrical Experience

- Installed multiple automotive sound systems; including speakers, subwoofers, head units, capacitors, wiring, fuses, and amplifiers for custom audio setups
- Integrated side-by-side utility vehicle audio system and grader attachment wiring
- Performed basic residential electrical work including switches, wiring, lighting and outlet installations

3D Printing and CAD work

- Designed and 3D printed over 150 custom whistles for Rapid City Aquatics, improving sound quality and reducing costs for lifeguard operations demonstrating practical design and prototyping skills.

General Mechanical and Routine Maintenance

- Conducted small engine and vehicle maintenance including brakes, rotors, thermostats, oil changes, tire rotations, carburetors, chain, filters, levers, and basic body work.
- Troubleshoot and repaired sprinkler system controllers and stop valves
- Structural construction of fencing, corrals, gates, and Quonset on the family operated ranch

CAMPUS INVOLVEMENT

Jacks Club Hockey, South Dakota State University, Brookings, SD

August 2025-Present

- Member of SDSU Jacks Club Hockey (D2 ACHA), building teamwork and discipline through competitive play

Joint Engineering Council, South Dakota State University, Brookings, SD

September 2025-Present

- Bi-Weekly meetings held for Engineering students going over anything engineering on campus

Focus Member, South Dakota State University, Brookings, SD

December 2025-Present

- Member of Focus, a Christian ministry focused on mentorship, Bible study, discipleship and fellowship

Swing Dancing Club, South Dakota State University, Brookings, SD

September 2025-Present
